

CURRICULUM VITAE

PERSONAL INFORMATION

Name Danijela Ćirić Lalić, Ph.D, PMP
Address Maksima Gorkog 40, 21000 Novi Sad, Serbia
Email danijela.ciric@uns.ac.rs
Contact +381 64 24 111 06
Gender Female
Date of birth 27/10/1986
Nationality Serbian

ABOUT

Experienced lecturer, professor and trainer, offering more than ten years of project, programme and portfolio management experience. Has a successful track in obtaining research grants and developing, implementing and managing large-scale projects, supporting and training project teams, and growing high-performing individuals. Has a superior ability to create excellent and healthy professional relationships with top management, peers, colleagues, and other stakeholders. An active member of two professional associations: PMI and PM² Alliance.

FORMAL EDUCATION

2014 - 2020	Ph.D. Department of Industrial Engineering and Management, Faculty of Technical Sciences, University of Novi Sad, Serbia <ul style="list-style-type: none">Ph.D. thesis title: Extending agile project management beyond the software industry, Ph.D. thesis defended in July 2020
2018	Visiting researcher , Faculty of Electrical Engineering, Budapest University of Technology and Economics, Hungary
2016	Visiting researcher , Faculty of Economics, University of Split, Croatia
2008 - 2012	Master of Economics , Faculty of Economics, University of Novi Sad, Serbia <ul style="list-style-type: none">The average grade achieved: 9,21 out of 10
2005 - 2008	Bachelor in Economics , Faculty of Economics, University of Novi Sad, Serbia <ul style="list-style-type: none">The average grade achieved: 9,27 out of 10

WORK EXPERIENCE

2016 - ongoing	Assistant Professor Faculty of Technical Sciences, University of Novi Sad, Serbia <ul style="list-style-type: none">Delivering lectures under the following courses at BA, MA and MBA levels: Project management, Project life cycle management, Agile project management, International development projects, Planning, executing, and controlling projects, Strategic project management, Digital transformation in the industry, New technologies in engineering and educationProviding advice and consultancy on all aspects of research funding, creating robust project/ program proposals and coordinating projects through to implementation and evaluationEstablishing, developing and managing robust relationships with partner organizations, involving the responsibility for the design and delivery of project communicationsPhD supervision of three candidates
-----------------------	---

CURRICULUM VITAE

	<p>Key results and achievements:</p> <ul style="list-style-type: none"> ✓ Ph.D. Thesis Research Grant awarded by Project Management Institute, USA - proposed research is one of the 3 in the world to receive PMIs funding in a very competitive selection, judged by a committee of world-leading academics and practitioners, 2018 ✓ Successfully coordinated and participated in more than 30 national and international projects ✓ Published more than 50 research papers in several conferences and peer-reviewed journals ✓ Evidence of success in obtaining research grants ✓ Received positive feedback from students with an average grade of 9.5
2021 – 2022	<p>Visiting Professor Federal State Budgetary Educational Institution of Higher Education “State University of Management”, Moscow, Russia</p> <ul style="list-style-type: none"> — Delivering courses on the master program "International project management for business leaders": Strategic analysis and management of the organization’s development, Management of socially responsible projects, Agile management technologies
2019 - ongoing	<p>Visiting Professor Faculty for Economics, Finances, and Administration – FEFA, Metropolitan University, Belgrade Serbia</p> <ul style="list-style-type: none"> — Delivering lectures on the master program "Digital Transformation" on the following course: Managing and financing IT projects
June 2020 – November 2022	<p>Portfolio Manager United Nations Development Programme, Belgrade, Serbia</p> <ul style="list-style-type: none"> — Implement activities in the designated SDGs Initiative portfolio
2018 - 2021	<p>Project monitoring and evaluation expert/Consultant Foundation “Novi Sad 2021 – European Capital of Culture”</p> <ul style="list-style-type: none"> — Advisory to the top management on how to improve project life cycle management — Developing internal evaluation and monitoring plan for Novi Sad 2021 - European Capital of Culture project (project value 60 million euros) — Developing qualitative and quantitative KPIs — Developing the methodological framework and creating guidelines with evaluation instruments — Training internal staff — Systematically and continuously analyze data about the implementation of the Novi Sad 2021 European Capital of Culture project, as well as all individual programs, projects, and events that are implemented by the Novi Sad 2021 Foundation <p>Key results and achievements:</p> <ul style="list-style-type: none"> ✓ Novi Sad European Capital of Culture project evaluation and monitoring framework developed (project value cc 60 million euro) ✓ Project life cycle management in internal processes of the Foundation Novi Sad European Capital of Culture improved ✓ Strategic Plan developed
2018 - ongoing	<p>Founder & President NGO EduNS</p> <ul style="list-style-type: none"> — Organizing and facilitating training programs — Drafting proposals and developing partner networks

CURRICULUM VITAE

	<ul style="list-style-type: none"> — Overseeing activities across all phases from initial research, design, and planning through to effective execution — Working closely and collaborating with clients, stakeholders, government agencies, NGOs and SMEs throughout the project lifecycle <p>Key results and achievements:</p> <ul style="list-style-type: none"> ✓ Successfully led and implemented the project Innovation in action, funded by the Ministry for Innovation and Technological Development (project value 40000 euros) ✓ Successfully led and implemented the project Innovation entrepreneurship in action mentoring and training program for start-ups in the Autonomous Province of Vojvodina, funded by the Ministry for Innovation and Technological Development (project value 40000 euro) ✓ More than 500 people trained in different hard and soft skills ✓ More than 30 successful professional events organized ✓ Participated in community affairs to increase organizational visibility and to enhance new and existing business opportunities
<p>2014 – 2016</p>	<p><i>Project management officer</i> <i>Project Management Office at the University of Novi Sad – Rectorate</i></p> <ul style="list-style-type: none"> — Establishing, developing, and managing robust relationships with partner organizations, involving the responsibility for the design and delivery of project communications — Directly supporting project management activities across a portfolio of EU projects (HORIZON, IPA, ERASMUS, COST...) — Drafting proposals and developing partner networks, managing all aspects and phases of the project — Accountable for identifying funding opportunities to facilitate the improvements of the organization's ability to project proposal development <p>Key results and achievements:</p> <ul style="list-style-type: none"> ✓ Implemented and streamlined cutting-edge data management procedures, improving the operational efficiency of the organization ✓ Controlled and ensured the accuracy and reliability of narrative and financial projects reports for international projects for more than ten projects with a budget of over 1 million euro
<p>2010 - 2021</p>	<p><i>Coordination team member</i> <i>Student Association of the University of Novi Sad</i></p> <ul style="list-style-type: none"> — Establishing, developing and managing robust relationships with partner organizations, involving the responsibility for the design and delivery of project communications — Drafting proposals and developing partner networks, managing all aspects and phases of the project — Fundraising — Preparing project work breakdown structures — Project and portfolio management — Working closely and collaborating with clients, stakeholders, Government agencies, NGOs and SMEs throughout the project life cycle — Event management, organization of conferences, training, workshops and other educational programs — Undertaking a range of administrative support duties <p>Key results and achievements:</p> <ul style="list-style-type: none"> ✓ Lunched and led the Space4Women project and initiative, funded by the

CURRICULUM VITAE

	<p>Ministry for Innovation and Technological Development, fostering entrepreneurship among female students. More than 2000 students participated in project activities. Two significant conferences organized with more than 600 participants and many local and regional stakeholders</p> <p>✓ Over the past ten years, completed more than 20 projects from start to finish</p>
--	---

Relevant certificates/training programs	
2022	Professional Scrum Master (PSM), Scrum.org
2021	Project Management Professional (PMP)®, Project Management Institute, USA
2020	Train the Trainers program, TIM Centar consulting agency
2020	Communication Strategies for a Virtual Age, an online course authorized by University of Toronto and offered through Coursera
2019	Excellence in Research, Social and Technological Innovation Project Management ReSTI Project Management Pilot Training Program. Certificate issued by the consortium of European Universities
2019	"Island 10-22" („Остров 10-22“) educational program for innovators in the field of higher education at Skolkovo Institute of Science and Technology, Moscow, Russia
2019	Learn – Discover training in media literacy – IREX, Novi Sad, Serbia
2015	Training for financial, legal and administrative management of projects financed through EU funds – Organized by Centre for the Promotion of Sciences and Ministry of Education, Science and Technological Development, Belgrade, Serbia Certificate issued by Ministry of Education, Science and Technological Development
2016	Training in Responsible Research and Innovation_RRI Tools, University of Novi Sad, Serbia
2014	Training & Research for Academic Newcomers: Research methodology, scientific writing and results presentation, University of Novi Sad, Serbia
2014	Training & Research for Academic Newcomers: Project application development and project management, University of Novi Sad, Serbia
	<p>Other:</p> <ul style="list-style-type: none"> • Participation and facilitation of numerous training and workshops on EU funding, project application development for HORIZON 2020, ERASMUS projects (organized by the local authorities, CERS-a, European Training Academy, etc.)

LIST OF CORE GRANTED PROJECTS AND POSITIONS	
National projects	
2020	<i>Project coordinator and lead trainer</i> Project title: Space4Women 3.0 Institution: Student Association of the University of Novi Sad Funded by the Ministry for Innovation and Technological Development
2020	<i>Project coordinator and lead trainer</i> Project title: We (ad) Venture Institution: NGO EduNS Funded by the Ministry for Innovation and Technological Development
2019	<i>Project coordinator and lead trainer</i> Project title: Space4Women: Step into a World of New Ideas Institution: Student Association of the University of Novi Sad Funded by the Ministry for Innovation and Technological Development

CURRICULUM VITAE

2019	<p><i>Project coordinator and lead trainer</i> Project title: Innovation in action Institution: NGO EduNS Funded by the Ministry for Innovation and Technological Development</p>
2018	<p><i>Project coordinator and lead trainer</i> Project title: Space4Women: fostering entrepreneurship among female students Institution: Student Association of the University of Novi Sad Funded by the Ministry for Innovation and Technological Development</p>
2018	<p><i>Project coordinator and lead trainer</i> Project title: Innovation entrepreneurship in action: mentoring and training program for startups in the Autonomous Province of Vojvodina Institution: NGO EduNS Funded by the Ministry for Innovation and Technological Development</p>
2018-2019	<p><i>Project team member</i> Project title: Improving the teaching process in the study programs Industrial Engineering and Engineering Management through the Development of Digital Competences of Teachers and Students Using Information and Communication Educational Technologies (DigIIM) Funded by the Ministry of Education, Science and Technological Development</p>
2020 - ongoing	<p><i>Project team member</i> Project title: Innovative scientific and artistic research from the Faculty of Technical Sciences domain Institution: Faculty of Technical Sciences, University of Novi Sad Funded by the Ministry of Education, Science and Technological Development</p>
2017 - 2019	<p><i>Project team member</i> Project title: Development of software to manage repair and installation of brake systems for rail vehicles Institution: Faculty of Technical Sciences, University of Novi Sad Funded by the Ministry of Education, Science and Technological Development</p>
International projects	
2022 - ongoing	<p><i>Project coordinator and module leader</i> Project title: Enhancing PM2 Skills and Competencies for EU Funded Projects- PM24EUFunds Institution: University of Novi Sad Funded under Jean Monnet programme</p>
2018 - ongoing	<p><i>Project monitoring and evaluation expert</i> Project title: Novi Sad – European capital of culture 2021 Institution: Foundation “Novi Sad 2021 – European Capital of Culture” Funded by Education, Audiovisual and Culture Executive Agency</p>
2020 - 2022	<p><i>Project team member</i> Project title: DEveloping DAta Literacy courses for University Students (DEDALUS) Institution: Faculty of technical sciences, University of Novi Sad Funded under ERASMUS+ programme</p>
2020 - 2022	<p><i>Project team member</i> Project title: Data Literacy at the interface of higher education and business (DATALIT) Institution: Faculty of technical sciences, University of Novi Sad Funded under ERASMUS+ program</p>
2019 - 2022	<p><i>Project manager</i> Project title: Information and Communication Technologies for Sustainable Tourism Development (ICT4STD) Institution: Faculty of technical sciences, University of Novi Sad Funded under ERASMUS+ program</p>

CURRICULUM VITAE

2019 - 2021	<p><i>Project team member</i> Project title: Information Security Services Education in Serbia (ISSES) Institution: Faculty of technical sciences, University of Novi Sad Funded under ERASMUS+ program</p>
2018 - 2019	<p><i>Project consultant</i> Project title: Development of water tourism on waterways connecting Hungary and Serbia (WATERTOUR) Institution: Faculty of sports and physical education, University of Novi Sad Funded under Interreg IPA program</p>
2018 - 2021	<p><i>Project manager</i> Project title: ORANGE: Creativity, Innovation & Technology (O-CITY) Institution: Foundation “Novi Sad 2021 – European Capital of Culture” Funded by ERASMUS+ programme, Education, Audiovisual and Culture Executive Agency</p>
2017 - 2018	<p><i>Project financial manager</i> Project title: Knowledge FOr Resilient soCiEty (K-FORCE) Institution: Faculty of technical sciences, University of Novi Sad Funded under ERASMUS+ program</p>
2017 - 2020	<p><i>Project team member</i> Project title: Agricultural Waste – Challenges and Business Opportunities (Eco Build) Institution: Faculty of technical sciences, University of Novi Sad Funded under Interreg IPA program</p>
2015 - 2017	<p><i>Project team member</i> Project title: Fostering students' entrepreneurship and open innovation in university-industry collaboration (iDEALab) Institution: Faculty of technical sciences, University of Novi Sad Funded under TEMPUS program</p>
2015 - 2017	<p><i>Project team member</i> Project title: Mastering innovation in Serbia through development and implementation of interdisciplinary postgraduate curricula in innovation management (MAIN) Institution: Faculty of technical sciences, University of Novi Sad Funded under TEMPUS program</p>
2014 - 2016	<p><i>Project associate</i> Project title: Strengthening of Internationalization Policies at Universities in Serbia (SIPUS) Institution: University of Novi Sad Funded under TEMPUS program</p>

CURRICULUM VITAE

CORE COMPETENCIES

Core personal competences

- Excellent leadership skills;
- Teamwork;
- Excellent people management skills;
- Excellent interpersonal communication and presentation skills;
- Creative thinking;
- Strategic thinking;
- Self-management and emotional intelligence;
- Effective problem solver;
- Openness to new ideas and concepts;
- Working ethics and integrity;
- Cultural, gender, religion, race, nationality, and age sensitivity and adaptability.

Core functional competencies

- Goal-oriented and result-driven;
- Excellent educator, trainer, and facilitator;
- Excellent analytical and writing skills;
- Excellent budget management skills;
- Ability to work under pressure meeting tight deadlines;
- Ability to orchestrate the performance of different stakeholders in parallel;
- Ability to promote organizational learning and knowledge sharing;
- Excellent event management skills;
- Good knowledge of the EU funding mechanism, government institutions and other actors involved in policy formulation and implementation, including academia, NGOs, prominent experts;
- Results-based project development and management;
- Advanced computer skills (ECDL Certificate).

AWARDS AND SCHOLARSHIPS

- **Ph.D. Thesis Research Grant awarded by Project Management Institute, USA - proposed research is one of the 3 in the world to receive PMI's funding in a very competitive selection, judged by a committee of world-leading academics and practitioners, 2018**
- COST Action TN1302- Short-Term Scientific Mission at University of Split, 2017
- Granted Erasmus Mundus scholarship for a research semester at the Faculty of electrical engineering, Budapest University of Technology and Economics, Hungary, 2018
- Granted Erasmus Mundus scholarship for a research semester to the Faculty of economics, the University of Split, Croatia, 2016
- Granted scholarship for exceptional academic achievement, awarded by the Ministry of Education and Science, Republic of Serbia
- Fellow of the Serbian economic association and foundation "Privrednik" from 2003 to 2011. "Privrednik" is one of the largest living endowments of recent Serbian history, with an educational and economic character which brought together gifted and poor children from Serbia
